

Good afternoon, homeowners, and Residents!

Just a short update to remind you that the process to Fumigate the K Building will begin on Monday, September 22, 2025, with the delivery of the crane. The tent will be placed over the building on Tuesday the 23rd and it is our goal to have everyone back to their unit by Friday if not sooner. At this time, the Board of Directors would like to thank everyone for their cooperation and understanding. Currently, we have no immediate plans to tent any of the remaining buildings.

Please note that the association's office will be closed beginning Thursday, October 2, 2025, and will reopen on Tuesday October 14, 2025. During this time, I will not have access to email or phone messages. Jay and Jamal will be on property during normal business hours to help you or email communitycare@sentrymgt.com. After-hours emergency numbers remain the same, 407-788-6700 ext. 9. Patty Rowe will be happy to assist you.

If you need ARB Approval or documents notarized, please see me before October 1st.

Thank you and enjoy your weekend,

Trish
