PARKING LOT SEALCOATING NOTICE

Attn: **CAMELOT BY THE LAKE**

The roads in your subdivision are being sealed starting on 3/10/25 and continue weather permitting thru: 3/24/25. The roads will be closed on the dates in your area, shown on the color-coded map. Please make arrangements for your vehicle to be outside the designated area on your date by 8am. Turn off irrigation, and NO VEHICLES will be allowed at your residence on that day (lawn service, pool etc.) Please move your vehicles back when the barricades are removed. Do NOT park in the road for the day to be sealed, once started. If your vehicle is not moved it will be towed at owners expense.

1. Park outside the designated areas during the day of sealcoating at least 100FT away from barricades. We appreciate your cooperation during this time.
2. Move your vehicles back after striping is finished the following day or once the barricades are removed.

Sincerely

Danny Lauderbaugh
