

# **LAKE FRONT UPDATE**

## **PHASE II**

Good morning!

The 2<sup>nd</sup> phase of the Beach Front Enhancement is under way. Two weeks ago, the beach sand was restored and today the first of our five new grills is ready to be used! We are hoping to have three ready for this weekend outdoor cooking enjoyment!

At the April Board meeting the Board will be voting on new lake front furniture.

The Board continues to work for the betterment of the community.
