

URGENT

Hello homeowners and Residents,

Tomorrow, Friday November 22, 2024 the water to the entire community will be off during the hours of 12:00 p.m. – 3:00 p.m. Bryan Plumbing was here and they will be able to expose the pipe by removing the back stairs. I am truly sorry for all of the confusion today with the water, **tomorrow it will be off.**

Thank you,

Trish
