

IMPORTANT NOTICE

SCHEDULE UPDATE

ALL HANDS-ON DECK!

Good morning,

Danny and I have been watching the weather closely and the projected forecast is showing rain next week, Monday and Tuesday. With that said we will be doing both the **PINK** and **YELLOW** sections on Friday and Saturday, 3/21 – 3/22/2025. I realize this is very aggressive; we can do this! This will encompass the parking along the front on Hansel, the spaces in front of the A building (A13-22) and the entire middle road on the property.

Today at 3:00 p.m. we will be opening up the **green** section so that all of those spaces can be utilized. Please make sure your car is relocated to an open space by 7:30 a.m. Friday morning. Both the North and South entrances will be open too. If we need to, I will open the boat parking area for overflow in the morning. The quicker Danny and his crew can start will make this doable.

With that said this project will be complete on Sunday morning! You will be able to return to your assigned parking space. Thank you all in advance for your help.

Trish
