DATE 07/31/2024	TOTAL \$1,868.25
--------------------	----------------------------

DATE	ACTIVITY	DESCRIPTION	QTY	RATE	AMOUNT
	drainage work	At the front of building J Install a downspout adapter and run 4 inch corrugated, solid pipe underground out to the grass with a 12 inch catch base to discharge the water	1	300.00	300.00
	Drainage Down Spout Connector		1	17.00	17.00
	Drainage 4" solid pipe per ft		15	1.45	21.75
	Drainage 12" Catch basin		1	120.00	120.00
	drainage work	At the back of building J Connect to the downspout in the corner and run solid corrugated drainage pipe out to the grass to discharge the water out of a 12 inch catch basin. There are a lot of sewer pipes, AC lines, drinking water lines, and cable lines to work around along with roots and a sidewalk we will have to go under.	1	1,200.00	1,200.00
	Drainage Down Spout Connector		1	17.00	17.00
	Drainage 4" solid pipe per ft		50	1.45	72.50
	Drainage 12" Catch basin		1	120.00	120.00

TOTAL **\$1,868.25**
