

URGENT URGENT URGENT

We discovered a leak in the main water line at the M Building, M5-10. To locate exactly where this is the association has hired Leak Doctor to locate the break. They will be on property Thursday, November 21, 2024 between 8:00 a.m. and 12:00 p.m. During this time **ALL** water to the property will be turned **off**; meaning no showers, flushing of toilets, running any water appliance including all laundry rooms; they will be closed. Bryan Plumbing will be on property to make the necessary repair and restore the water as soon as possible.

Thank you, Trish
